

Agape Freedom Fighters
Ministry Trip Registration
Updated 1/23/2020

All Agape Team Members must register to be on the ministry team directly on our website:
www.agapefreedomfighters.org.

****Trip Registration Approvals – 1/23/2020****

Due to our mission's admin transition, our current Trip Itinerary document does NOT have updated team member registration approvals received from 12/1/2019 through present. You will now get an official "Trip Acceptance" email from our missions team when your trip registration is approved.

Steps for Trip Registration:

1. Select the Agape Team - Heart Icon on the top right corner of website. If you can't see the icon, try using this link: www.agapefreedomfighters.org/team-event-registration
2. This will take you to a Sign-Up Page. **Each team member will need to receive an approval before being able to create a new account.**
3. Once approved you can choose "log in" and use the email / password you created.
4. Once logged in you will be taken directly to our Ministry Trip Registration Form.
5. Please complete and submit a registration form for each individual event you would like to be a part of the ministry team on.
6. We will require a copy of your passport to be uploaded, even if it's a local event. This is important so that we can keep track of expiration dates as some countries require your passport to be good for at least 6 months prior to travel. If you do not intend to travel internationally with Agape, then please upload a copy of your Driver's License.

Please refer to your Agape Team Partnership Level when registering for ministry. If you are unsure of your partnership level, please contact Kathi Frye or Marisa directly.

- Apprentice = Local (to you), Non-Travel
- Internship = Local (to you), Domestic Travel
- Team Member = Local (to you), Domestic, International Travel

Registration does not guarantee acceptance; all trips are subject to approval by Agape Board.

****Please do not book your flights or lodging unless you are notified of acceptance.**** **You will now receive a confirmation email from the missions team if/when your trip registration is approved and your name will be added below under Ministry Team.** Also, the trip leader will email out information regarding the trip when available (Meeting locations, times, details, lodging, etc.) via What's App.

Registration deadlines for events:

- Local (no travel) = 2 weeks from event date
 - Semi Local (Drive/Overnight) = 30 days from event date
 - Domestic/International = 90 days from event date
- *Visa Requirements may vary and require earlier registration

****New Trip Cancellation Policy****: **Effective Immediately** - Team members are required to inform the Missions Team in writing via email at missions@agapefreedomfighters.org if you need to cancel your registration for an event **60 days before the event date (unless otherwise indicated)** or you will be

liable to pay a cancellation fee. The cancellation fee will be based on hotel occupancy and terms/conditions of the trip (*cancellation policy is subject to change*).

Traveling with Agape: If you will be traveling with Agape, we ask that you try to please use our travel agent. He has been able to save us money on airfare and he is also able to track arrival and departure times for the team. Tell him you are part of Agape and to match Jo's flights for the particular trip. That way he can search flights, email you options and then connect by phone to finalize. He does keep credit cards on file and protected so if you plan to use him you may wish to have him keep your card on file to expedite your future travel. His contact info is:
